## Purpose

by Bev Tall

“Though floral art is not a purpose of the life, it is an essential thing. Let’s begin Ikenobo to get enriched life.”

Founded in 1964 and Chartered in 1974.

Ikebana (Japanese Flower Arranging) is a disciplined art form in which nature and humanity are brought together. The purpose of the Arizona Chapter of Ikenobo Ikebana is to bring together a group of people who love the beauty of flowers and wish to display them in an artistic, disciplined manner. We bring a bucket of cut flowers and arrange them to re-create a naturalistic scene. We follow Ikenobo Guidelines and leave with smiles on our faces.
